## THE VENTURE FAMILY

### 4TH ANNUAL VENTURE OWNERS' RENDEZVOUS

We want to hear from you! Please participate in our survey on the website to help decide where the next Owners' Rendezvous should be held! We have had three great years at Port Lucaya, but would like to get your feedback. Please let us know where you would like to "Venture" to next year! We look forward to your input for another great year!

### NEW WEBSITE FEATURES

#### "FISH STORY OF THE MONTH"

We want to hear about your exciting fish stories aboard your Venture boat. We would like to put a little competition into it by featuring a Venture Owner's fish tale and picture on the website each month. The winner will receive some great Venture gear. Email your story to [lainey@venturemarine.com](mailto:lainey@venturemarine.com). Don't be shy, let the bragging rights begin!

### VENTURE MARINE ONLINE STORE UPDATE

Look out next month for our Venture Marine store to be up and running on the website! You will be able to purchase Venture merchandise such as long and short sleeve t-shirts, hats, visors, coozies, polos and fishing shirts. Watch for an announcement when the store opens.

\* Don't forget to send any neat pictures of your boat to add to the boat gallery!

## PRODUCT NEWS

### VENTURE MARINE SET TO DEBUT NEW MODELS AT THE FORT LAUDERDALE BOAT SHOW

With much anticipation, Venture will be introducing two new editions to the 34' model line. Along with these two brand new models, we will also be revealing additional improvements to the entire 34' line. Some of these highlights include a totally re-designed state-of-the-art console, power options, new and improved layouts, increased fuel capacity and hardware upgrades. The Venture Marine booth at the Fort Lauderdale show will be full of new surprises so come on by and check it out!

Look for the new Venture ad in the October issues of Florida Sportsman and Sportfishing magazine.
